

FORMER STUDENT

WILL BLOWER (MAAT)

I am a former student of the sixth form at Spalding High School, where I studied Business, Psychology & Sociology at A-Level before gaining an accountancy apprenticeship with a local firm in Peterborough. At this firm I completed my accountancy qualifications, and five years on from leaving Spalding High School I now run my own accountancy practice, Realise Finance Ltd.

We Are An Award Winning Accountancy Firm

We won the award for the "Most Outstanding Accountancy Practice" in the East of England, at the Acquisition International Finance Awards 2021.

WORK EXPERIENCE WITH US

We are delighted to be offering work experience to the students of Spalding High School, in May 2022. This will provide an insight into the world of accounting for the candidates, as well as experience in a working office environment, participating as a team to complete tasks.

Following on from this, we are hoping to offer apprenticeship opportunities to students in the future. This is where I began, and would love to offer someone the same opportunity.

About Me & Realise Finance

Realise Finance is a Peterborough based accountancy practice, serving clients mainly in Cambs & Lincs, with a handful of clients in other regions. We have been trading since June 2020,

I originally worked for a large independent firm in Peterborough, gaining a great level of experience in professional practice, before moving to a larger national firm (also in Peterborough) where I was able to take on more responsibility. At the same time as working for these practices, I was also attending a local training provider once a week to complete my AAT studies. This weekly classroom based training, coupled with the hands on experience, really helped me to develop into the accountant I am today, and I have the apprenticeship to thank for that. Once qualified, I achieved the letters "MAAT" after my name, recognising my professional qualification.

Realise Finance is in the growth stage, still bringing in new clients to our practice. As the company grows, more apprenticeship opportunities will become available!

If you would like to follow our journey, or learn more, please find us at www.realisefinance.com, or on Instagram @realisefinanceuk, as well as Facebook @realisefinanceltd. We post regular tax updates, as well as business tips/advice, along with news about Realise Finance and its growth.
