**Hall & Sports Hall Assemblies:** will be lead and/or fronted by HOYs. Week 1 assemblies will be HOY, Form Tutors and form group assemblies. Week 2 will be KS assemblies and delivered by the SLT, other staff and guest speakers. An assembly rota, entrance and exit arrangements and seating plan will be implemented and followed. The Sports Hall will have similar technology to the School Hall.

**Form Group Assemblies:** Form Groups will have responsibility for one or two assemblies during the academic year. These can be delivered by the pupils or the Form Tutor (or a combination of both). Form Tutors are responsible for ensuring the group are prepared and ready.

**Themes:** The assembly themes from our School Word Cloud are to be interpreted broadly. Be imaginative and creative in your application of these themes to your assembly and base your assembly around them in the way you feel is most appropriate.

**Spiritual, Moral, Social & Cultural (SMSC) Education and British Values (BV):** These are embedded naturally within our academic and pastoral provision and extra-curricular programme. However, sometimes we can promote them more explicitly and so SMSC & BV criteria is linked to our assembly themes and important dates.

**Important Dates:** These are important religious, cultural or historical events that you may like to develop through your assembly. Should you wish to use these events as a central theme, please talk to the people responsible for the giving assemblies in other venues to ensure there is not duplication of content.

**Covid:** If, at any point it becomes necessary to increase Covid measures, we will revert to a virtual remote assembly rota via Teams.
