12th September 2019

Dear Parent/Carer

Ski Trip 2020, Friday 14th - Friday 21st February 2020 (8 days/7nights)

The ski trip to Passo Tonale in Italy 2020 is now fast approaching and I am finalising details for the trip. I realise that it is a long time since you received your initial letter regarding the trip and that you may have many questions that need answering. Therefore, I have put a number of documents on the school website under the useful links tab on the home page. The documents include an approximate itinerary for the trip, clothing list, risk assessment and ski way code poster. I will also be arranging a ski trip information evening before the Christmas break. At this meeting, I will be able to talk to you about the trip in detail and answer any questions that you may have.

In the meantime, please could you check that your daughter has a current UK passport and a European Health Insurance Card (EHIC). Please check that both the passport and EHIC are in date for the duration of the trip. If we do leave the EU on 31st October 2019, all passports will need to have at least six months of validity remaining on them on the day of travel from the UK.

If your daughter has not skied before, I strongly recommend they have some ski lessons in the UK before going on the trip. In these initial lessons, they will be taught how to put on their skis and boots, basic turning and stopping on their skis. Your daughter would really benefit from having these lessons, as they would make much greater progress whilst on the trip.

Finally, please could you complete the parental consent and code of conduct forms and return them to me in the PE office as soon as possible.

Yours sincerely

Mr L Farrell
Head of PE
Ski trip leader
