Progression routes other than university:

18 students (19%) have a progression route for 2025-2026 as follows (this includes the 4 deferred entry university applicants):

- 3 students have or are seeking jobs (these may be in roles they had previously during sixth form until they decide on alternative plans/positions)
- 3 students have apprenticeships
- 12 students are working or volunteering as part of a gap year before applying/re-applying/going to university

Summary:

71 students (80%) gained a university place for 2025 entry and 18 students (20%) have an alternative progression route for 2025-2026 (this latter statistic includes deferred entry students who will go to university in 2025 and are on a gap year this year).

Our students continue to be extremely successful in achieving their desired progression route.
