

Year 10 Curriculum Evening

Wednesday 30th September 6pm

Thank you

'Parental involvement in a pupil's education is a win-win-win. Teachers benefit from the additional support, both academically and behaviorally; parents feel more involved in their child's academic life; and students can take advantage of an enhanced support system, which increases their chances of academic success.'

PSHCE & Careers – 1 lesson

Private study – 2 lessons

Relationships, Sex & Health Education at SHS [RSHE]

We follow the National Curriculum for RSHE. A range of teaching materials are used that are age appropriate, sensitive to pupil needs & experiences and link content to real-world style situations.

RSHE is delivered in various ways:

- Bespoke lessons as part of PSHCE for Years 7-11/6th Form PD [Thursday Wk2]
- Lessons as part of the main curriculum including in Religious Studies & Biology.
- The full details of what is taught and to which year group can be found on the school website, including exemplars of resources

Important Updates: Children's Wellbeing and Schools Act 2026

All schools should be mobile phone-free environments by default; anything other than this should be by exception only."

It expects schools to prohibit the use of mobile phones throughout the school day, including during lessons, breaktimes, lunchtime and between lessons, while allowing appropriate exceptions for medical or accessibility needs. This approach is intended to create calm, focused learning environments with fewer distractions for all pupils.

Department for Education, *Mobile phones in schools*, 2026

Reminder: Uniform Policy

JEWELLERY:

Pupils may wear one watch, one small ring, one small necklace (underneath the shirt) and one pair of small stud earrings in the earlobe. Facial piercings, tongue studs, upper ear piercings and any other part of the ear, are not allowed. No other jewellery is permitted.

In PE lessons absolutely no jewellery, without exception, may be worn.

MAKEUP:

A discreet amount of foundation may be worn, but it should not be obviously visible. It is not appropriate to wear excessive and highly noticeable make-up in school. Nail varnish, including clear, and artificial nails are not to be worn. False or beauty enhanced/modified eyelashes are not allowed.

HAIRSTYLES AND COLOUR:

Hairstyles should be appropriate for the school environment, avoiding ornamentation and excessive styling or extreme haircuts, and must be within the bounds of normal hair colour, containing no obvious streaks or dip dye.

Year 10 and start of GCSE studies

*"Success is the sum of small efforts,
repeated day in and day out." — Robert
Collier*

Your GCSEs don't begin with your first mock exam or your final revision session, they begin today. Every lesson you engage in, every homework you complete, and every small improvement you make is another step towards the person and the results you want to become.

Key Dates:

GCSE Poetry Live Trip

Tuesday 26th January

Y10 Parents Evening

Thursday 11th February
