PLEASE CHECK/YOU MUST BRING

■ PASSPORT & GHIC

- Global health insurance card. Everyone must have one!
- Pocket money-to cover outbound and inbound coach journeys, snacks/drinks from supermarket, souvenirs etc. I would recommend 60-100 euros.
- Both ferry crossings include a meal voucher. This can be exchanged for one hot meal and soft drink OR one sandwich/cake and soft drink at all food outlets on the ferry.
- Most service stations and supermarkets will accept debit/credit/travel cards.
- EU data roaming charges on your child's mobile phone.
- Settled status (I will need a share code). For non UK passport holders only.

PLEASE CHECK /YOU MUST BRING

Here are the steps to generate the code which lasts 3 months for people with an EU passport who live in the UK to allow entry to the UK:

1. Go to [eVisas: access and use your online immigration status: View your eVisa and get a share code to prove your immigration status - GOV.UK](#)
2. Click the green button and the process with personal details to generate the code starts
3. After process a green button says to generate the share code
4. Click that green button
5. Answer the question why you need the share code
6. Click the green button which says **Get share code**
7. The share code is displayed
8. End of process

Coach Travel

- Depart from Spalding Bus Station on Saturday 13th Feb (time to be confirmed-I'm estimating around 10.30am). Boarding will take place with older pupils first.
- Remember to wear your ski trip hoodie and comfortable clothing (leggings/tracksuit bottoms). Bring a travel pillow/blanket. 1 x pair of ski socks in hand baggage for ski fit.
- Stop off at services on the way to Dover for lunch.
- Evening ferry crossing-6.10pm (DFDS ferry from Dover to Calais)
- Overnight journey.
- Arrive following afternoon in resort—check in, collect ski equipment, fire drill practice and resort familiarisation (walk free time routes if time permits. If not we will do this the following day).
- Please remember cost of meals during outbound and inbound journeys is not included in the package price. Therefore pupils will need a small amount of money. DFDS ferries usually give each pupil a meal/drink voucher.

NEW Hotel Sass Maor * in Fiera Di Primiero**

- All rooms with private facilities, TV, shower.
- Towels provided
- Strongly recommend an extension lead & travel adapter. There are never enough power sockets in the rooms.
- Beautiful small town location overlooking the Dolomites

FREE TIME

On the trip there will be a small amount of free time between ski lessons/evening meals. During free time, we will allow students to walk to the local supermarket (next to the hotel) to buy drinks, snacks etc. unsupervised. Staff will be on duty at the hotel during free time (students must sign out and back in again if they wish to go out). In all cases students must be in groups of three or more. This will be the only designated area that students can walk to unsupervised. However, we will also walk into the town centre as a group (5 mins walk away) on one or two nights during the trip. Pupils will have some time to buy souvenirs unsupervised in this area but staff will be present.

Parents/carers need to let me know ASAP if they do not wish their child to go out unsupervised.
