In Years 7 to 9 most completed modules are summarised and moderated by an assessment in the form of a Common Assessed Task. These common tasks will reflect the skills assessed at GCSE - listening, speaking, reading and writing. They will be assessed on a rota basis at the end of most modules. The same will apply to Years 10 to 13. In addition, the Common Assessed Tasks can also take the form of a practice paper which can count towards the school examination/mock examination.
