Within each Key Stage, most completed modules are summarised and moderated by an assessment in the form of a common task. These common tasks will reflect the skills assessed at GCSE or A level, listening, speaking, reading and writing skills. They will be assessed on a rota basis at the end of each module.

In light of Covid-19, this curriculum map has been adapted in order to provide continuity due to the lockdown during the 2019-2020 academic year and as such is a working document. It might change during the academic year 2020-2021 according to the situation as well as OFQUAL decision regarding GCSE and A level examinations.
