Dear Year 11 Students

We are reaching out to you following the government's announcements that GCSE examinations are cancelled this summer. We appreciate that this is a very difficult time of uncertainty and worry. We too share your disappointment and anger that you will not get the opportunity to show just how brilliant you are through the examinations that you have all been working so hard for.

The Education Secretary has said that systems put in place will ensure that students who rely on examinations and assessments in both academic and vocational settings are not disadvantaged. At Spalding High School we strongly agree with those sentiments. If you feel that you would like some further support and advice with regard to your post-16 progression route and you think that A Levels are right for you, please do get in touch. Even if you have not previously filled in an application for our Sixth Form, we may be able to help.

Spalding High School is an Outstanding school with a thriving, high achieving Sixth Form with many A Level courses on offer and a wide variety of extracurricular opportunities. Please see the Sixth Form page on our school website, for more information and a prospectus:

If you would like to discuss your post-16 progression or make a late application, please do not hesitate to get in touch by email.

Kind regards

Mrs F Haunch  
Head of Sixth Form
