

Learn and earn

Apprenticeships at Saffery Champness on 25 November 2021 from 5.00pm to 7.30pm

We would like to invite students and parents to our Peterborough office for a 'Meet the Team' event to find out what it is like to train and work with a firm of accountants and tax advisers. The event is aimed at Year 12 and 13 students who are considering their next step.

Developing talent

Our school leavers programme offers an opportunity for students to develop valuable skills, work towards gaining a ACA or ATT professional qualification, enjoy challenging hands-on work experience, learn from exceptional people and earn a full-time salary – straight from doing A Levels. We have found that this entry into the profession is successful for ambitious students looking for an alternative to university.

The training takes place both internally and at first class training providers. Having additional experience in work over graduates at the early stages is an excellent foundation for an interesting and challenging career.

Find out about current opportunities

At Saffery Champness we are actively looking for talented school leavers to join our team in September 2022.

This event is to make talented students aware of the great opportunities offered by a career in accountancy and tax, and specifically with us as one of the largest firms of accountants in the UK. You can also find out about the many exciting apprenticeship opportunities that exist within the city.
