BLACK – ON-SITE TESTING* NB Y7 comment below

GREEN – HOME TESTS – these remain the nasal/throat swab tests at the moment with results submitted by students onto the School Teams assignments and ALSO via NHS Report Covid LFD Test Results website.

RED - FOLLOW UP FOR GAPS AND THOSE WHO WANT TESTING ON SITE

***NB:** Year 7 will continue to be tested on site until all students have full access to their Teams account and have had their IT lessons to organise log in, accounts and how to use the assignment.

Currently, the Government have advised that they will review LFD testing in schools at the end of September 2021.

Should the decision be made to continue to LFD test in schools, as of Wednesday 29th September and Sunday 3rd October, the entire School will be in a position to resume twice weekly testing on every Wednesday and Sunday.

There will be an on-site catch up testing every Monday and Thursday thereafter.

Students must submit their results to their Year Group Assignment on Teams **no later than 6pm**. The earlier the better as it gives time for staff to contact positive cases, offer support and help identify and notify close contacts.

Students/parents should also report the LFD result to [Report a COVID-19 rapid lateral flow test result - GOV.UK \(www.gov.uk\)](https://www.gov.uk/report-covid-19-rapid-lateral-flow-test-result).

Please ensure that you do this as well as Teams.
