

The Pupil Premium Grant – University Trips

Identified Issue	Intervention/Action	Hard and Soft Data Impact	Cost
<p>2 pupils: Lack of aspiration and belief in ability to progress to Oxbridge/red brick university.</p> <p>Concern over whether state school applicants from a variety of backgrounds are considered.</p> <p>Concern over the cost of a university education.</p>	<p>Y9 visit to Christ’s College, Cambridge. March 2016 as part of a selected group of 25 Y9 able pupils. The day was led by the college school liaison outreach worker and current students.</p> <p>The day included a focus on the importance of state school applicants and all backgrounds being considered for places. The current university students involved were all from state schools.</p> <p>Discussion about student finance and support for funding through bursaries, scholarships etc.</p>	<p>Both pupils felt valued to be included in the visit and there was a realisation of their capabilities in relation to future aspirations.</p> <p>Our LAC student will continue discussions about university education and the support available long term. The next LAC Education meeting is planned for 9-5-16 and this is an agenda item, with possible targets to be put in place.</p>	<p>£250</p>
