

UNIT 6 INDIVIDUAL INVESTIGATION – STUDENT TIMETABLE 2012

The following deadlines are to be strictly observed unless your teacher has reason to alter them.

Period beginning 5th November

Lessons 1 – 4: Introduction, initial research, planning.

During this period you will have the opportunity to discuss your ideas with the teaching staff.

Lessons 5 – 6: Rationale, draft plan, and detailed equipment list.

By the end of this period you should have a very clear plan of action to enable you to carry out a preliminary investigation.

Deadline for submission: 13E – Nov 14th
 13C – Nov 14th
 13D – Nov 12th

A “break” of approximately 2 weeks will follow with a return to the teaching of Unit 4.

Period beginning 26th November

Lessons 1 + 2: Revised plan (where necessary) and further discussions with staff.

Lessons 3 - 5: Preliminary investigations

You will be expected to write a report on your results together with any modifications to the plan in your own time. **Please note** that where changes to your plan involve a change to the equipment/chemicals you need you must ensure that this is agreed with the staff and technician.

Deadline for submission: 13E – 6th
 13C – 6th
 13D – 6th

Nb. It *may* be possible to start the main investigation this week if all of the above is completed successfully.

Week beginning 10th December (but including Fri 7th)

All lessons: Main investigation

Christmas holiday + 3 weeks of spring term: Write the final report, including presentation and analysis of results, evaluation etc. This is to be completed in your own time – no lesson time will be made available.

Deadline for submission of completed report: Monday 28th January by 3pm
