Headmistress Mrs M Anderson B.Ed

8th July 2021

Dear Year 11 Parents/Carers and Students

As we come to the end of the summer term and we begin to cast our minds to GCSE results day on 12th August, I would like to reassure you that we are committed to helping our external applicants progress onto a post -16 course that is right for them. I would like to share with you the support that will be on offer to you in once results have been published.

When you receive your results on 12th August, please email a copy to Hazel.French@spaldinghigh.lincs.sch.uk as soon as possible so that we can begin to process your data. Please also include a convenient contact telephone number in that email as everyone will receive a phone call from a member of our school staff during the afternoon of the 12th or morning of 13th to discuss your application further and ensure that enrolment is complete before joining us on Monday 6th September. Once you have discussed your results with a member of SHS, you will then be in a position to complete the enrolment form. Enrolment forms should be completed by 12pm on Friday 13th August, your place for September will not be confirmed until you have submitted it. Click [here](#) for the enrolment form.

Should your GCSE final grade for a subject not meet the entry requirement for progression onto a chosen A Level course, we are available to offer support and guidance and may be able to advise on a suitable alternative programme of study.

Should you wish to change a course from your initial application you should discuss this when you receive a call from school staff. This will be possible providing you meet the entry requirements for your new subject choice and your subject choices fit into the option blocks already set. To check the entry requirements, please see page 7 of the Sixth Form prospectus for our general entry requirements and the subject page for subject specific entry requirements. Click [here](#) for the Sixth Form prospectus.

The option blocks on the attached sheet show what will fit into our School timetable, each of your subjects should be in a different block. Some subjects appear in more than one option block. When changing subject, please consider the options carefully. The prospectus and bridging tasks will be useful sources of information to ensure that your new choice is right for you.

I hope that you all have a restful summer break and I look forward to seeing you on 6th September when I can welcome you officially as a student of Spalding High School for the start of your Sixth Form studies.

Your sincerely

Mrs F Haunch
Head of Sixth Form
