Headmistress Mrs M Anderson B.Ed

Dear Parents/Carers

16th March 2020

In light of the enhanced social distancing measures advised by the government, we feel that it is prudent for the School to take a responsible position on minimising the potential spread of Covid-19 in order to reduce the risks to our pupils, parents and staff. We have therefore decided to postpone the Year 8 Parents' Evening on 18th March until later in the summer term. We will be in touch with you to confirm a new date once we have a clearer picture of how the situation with the virus evolves. Our Year 8 pupils work incredibly hard and would have received a lot of praise and further advice this week. I have asked Year 8 teachers to talk to their classes about the information they would have shared with pupils and parents on Wednesday in order that you can discuss this with your daughter. If you have any immediate or further concerns, please contact the school following the normal procedures and we will endeavour to respond as soon as possible.

Thank you for your understanding in this matter.

Yours sincerely

M K Anderson
Headmistress
